The information provided on the Platform or otherwise through the Service is not intended for distribution to or use by any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation or which would subject us to any registration requirement within such jurisdiction or country. 3.5 Service Updates. Company may update the Service or Technology at any time to reflect changes in, among other things, laws, regulations, rules, technology, industry practices, patterns of system use, and availability of OA Data. Company will make reasonable efforts to ensure that any such updates do not materially reduce the level of performance, functionality, security or availability of the Service.

3.6 Service Maintenance & Support. Company shall use reasonable efforts consistent with industry standards to maintain the Service in a manner which minimizes errors and interruptions. The Service may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Company or by third-party providers, or because of other causes beyond Company's reasonable control, but Company shall use reasonable efforts to provide advance notice of any scheduled Service disruption.

3.7 Temporary Service Suspensions. Company shall use reasonable efforts to provide written notice of any Service Suspension to User and to provide updates regarding resumption of access to the Service following any Service Suspension. Company will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that User may incur as a result of a Service Suspension.

User agrees to provide current, complete, and accurate payment and account information to pay all Fees associated with User's Account, and to promptly update User's payment and account information, including email address, payment method, and payment card or account information as needed. User authorizes Company or Company's third-party billing agent to charge User's chosen payment provider for all Fees due in connection with User's Account. If User's Account is subject to recurring charges, then User also consents to the Company charging User's payment method on a recurring basis without requiring User's prior approval for each recurring charge, until User notifies the Company of cancellation. Company will not be liable for any insufficient funds or other charges incurred by User as a result of any attempts to charge and/or place holds on User's credit card. User acknowledges and agrees that if User fails to pay the Fees when due, User's Account may be suspended and/or User may be denied access to the Service.

4.3 Taxes. All Fees and other amounts payable by User under this Agreement are exclusive of taxes and similar assessments. User is responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by User under this Agreement, other than any taxes imposed on Company's income.

5.4 Effect of Termination. User's Account(s) shall be suspended, and User shall no longer access the Platform following termination of this Agreement by either party for any reason. Upon termination, all rights and obligations of the parties under this Agreement shall terminate, except that: (a) all accrued Fees and payment obligations up to and including the last day on which the Service is provided to User shall survive such expiration or termination, if applicable; and (b) all terms of this Agreement which by their nature should survive termination will survive termination, including, without limitation, accrued rights to payment, confidentiality obligations, indemnification, warranty disclaimers, and limitations of liability.

6. INDEMNIFICATION.
